

City of Camanche, Iowa

March 15, 2010

The City Council of the City of Camanche, Iowa met in special session March 15, 2010 at 9:08 A.M. Present on roll call: Mayor Pro-tem Varner presiding in the absence of Mayor Robertson and the following named councilmembers: Kramer and Kampe. Absent were Nelson and Fahlbeck. Also present were: City Administrator Roth and City Clerk/Treasurer Jindrich.

Moved by Kramer, second by Kampe to approve the agenda. On roll call – all ayes.

Varner opened the public hearing on the Proposed FYE 2011 Budget at 9:10 A.M. Kramer commented that she did not want the contingency fund moved (\$98,220). Roth said that it can stay there until the council wants to spend it. The contingency fund started at \$108,220 but \$10,000 needs to be moved to the fire equipment budget (that fund was shorted when the budget was prepared). Kramer asked questions about the \$40,000 set aside for a computer for city hall. Jindrich commented that this figure was substantially lower than a previous quote because this quote was through our present software provider (ACS). This quote was basically for hardware. The other quote for \$90,000+ was higher because we would have to purchase that company's software.

Hearing no additional comments and receiving no written comments, Varner closed the public hearing at 9:14 A.M.

Moved by Kramer, second by Varner, to approve a Resolution Approving the FYE 2011 Budget. On roll call – all ayes.
