

Press Release For Immediate Release 5-23-2022

### **Hydrant Flushing/Testing to begin**

The Camanche Fire Department will be flushing fire hydrants throughout the next several months (May-October) Monday-Friday between the hours of 8am to 3:30 pm and on Wednesday nights between the hours of 6:00-9:00. This flushing is necessary to test and maintain the water system. Residents may experience some low water pressure and discoloration during this flushing.
