Burning Regulations

Burning is permitted 10:00AM to 5:00PM

Tuesday

Thursday

Saturday

Only **yard waste** may be burned.

Fire must be attended and water source must be present.

No open burning during burn bans, first offense \$110.

It is illegal to burn leaves in the street. All burns must be attended and controlled. It is also illegal to brush your leaves into the street. These leaves can travel to storm water collection points and create issues to infrastructure, which causes further issues and added expenses to the city.

Billing

It has come to our attention that there have been some issues with mail not reaching our residents, or our office, in a timely fashion. We recommend that water customers pay their bills online, over the phone, or in person to avoid payments arriving after the due date. The City is unable to forgive any fees assessed to delinquent accounts due to mailing issues. The added credit card fee incurred when paying online or with a card over the phone is approximately half the cost of the fee incurred on a past due bill. **Bills are mailed** out March 10, June 10, September 10, and December 10. **Payments are due** April 6, July 6, October 6, and January 6. Payment agreements are allowed, but **must** be turned in with the 25% deposit before the deadline each billing cycle.
