Billing

There have been questions about water bills, and how fees are applied. Here is a breakdown of how and when that happens. Please note, all of these deadlines are established by City Ordinance 787. City Hall staff does not have flexibility to waive these fees or processes. This ordinance is a directive of the Camanche City Council. Bills are mailed on the 10th of March, June, September, and December. The payments are due on the 6th of April, July, October, and December.

Full white sheet bill: The amount owed for three months of water/sewer/trash service. You may begin a payment agreement upon receipt of this bill.

Yellow Delinquent Notice: Amounts not paid by the due date are subject to a **5% late fee**. This is printed on the yellow paper and mailed out the next business day following the due date. You may still set up a payment agreement at this time.

Pink Final Notice: This is sent out 10 days after delinquent notices to accounts that have not yet been paid and are not on payment agreements. Once final notices are processed, the City is unable to accept payment agreements for this billing cycle per City Ordinance 787. **Final Notices serve as the LAST warning before disconnects begin**, and are printed on pink paper.

Disconnect Fee: Unpaid accounts are placed in "shut-off status" 5 business days after final notices are processed. Shut-off status results in a fee of **\$25.00** per City Ordinance 787.

Reconnect Fee: Once an account is physically disconnected, a reconnect fee of **\$50.00** is added to the total amount owed. This must be paid before service may be resumed, per Ordinance 787. The payment **MUST** be made 3:15PM so Public Works may reconnect before 3:30, and to avoid after hours fees.

After Hours Reconnection: This applies to a disconnected account that is reconnected outside of the Public Works Dept's hours of operation. This after hours reconnection fee is an additional **\$125.00**, per Ordinance 787.

For example, if your original bill due Jan 6 was \$135.00, this is how the fees would apply:

Jan 6 (Due Date) Amount Owed	\$135.00	Payment Agreement Available
Jan 7 (Late Fee) Amount Owed	\$141.75 (Bill + 5% Late Fee)	Payment Agreement Available until Final Notices are Processed
Jan 28 (Shut Off Status) Amount Owed	\$166.75 (Includes bill and late fee, \$25 disconnect fee added)	No Payment Agreement Available
Reconnection Amount Owed	\$216.75 (Includes bill and late fee, \$25 disconnect fee, \$50 reconnect fee added)	No Payment Agreement Available
After Hours Reconnect Amount Owed	\$341.75 (Includes bill, late fee, \$25 disconnect fee, \$50 reconnect fee, \$125 after hours fee add- ed)	No Payment Agreement Available

Payment Agreements

You may enter into a payment agreement anytime between the date the bill is processed and the date final notices are processed. A 25% down-payment is required to turn in a payment agreement. Late fees are applied only to amounts owed after the due date.
