

City of Camanche  
October 3, 2023

The City Council of the City of Camanche, Iowa met in regular session October 3, 2023, at 6:00 p.m. at Camanche City Hall. Present on roll call: Mayor Pruett presiding, and Council members Bowman, Schnoor and Weller. Absent: Council member Varner. Also present were City Engineer Solchenberger, City Administrator Andrew Kida and Department Heads Schmitz, Schutte and Schneider.

A moment of silent prayer was observed. Mayor Pruett led the Pledge of Allegiance.

Moved by Councilman Bowman second by Councilman Weller, to approve the agenda. On roll call – all Ayes.

Mayor Pruett opened a Public Hearing: Amend Chapter 18 of the Camanche Zoning Ordinance 18.60-G Special Ordinances: Non – Utility/Utility Scale (Solar) at 6:01 p.m. This makes an accommodation for the Battery Energy Storage System on our Zoning Ordinance. In the absence of public comments, the Mayor closed the Public Hearing at 6:02 p.m.

Mayor Pruett opened a Public Hearing: Amend Chapter 18 of the Camanche Zoning Ordinance 18.60.015 General Supplementary Regulations: Accessory Building and Structure Location at 6:02 p.m. Councilman Weller asked what the Planning and Zoning Commission came up with. City Administrator Kida said 1,286 square feet, changed from the current 1,080 square feet. Councilman Weller asked if there were any other changes, such as placement or wall height. Kida said no, but the size is dependent upon the size of the house. Councilman Bowman said Bob Edens called him and recommended a height of 20’ to accommodate modern construction and help make shingles last longer and asked if we could make that change. In the absence of public comments, the Mayor closed the Public Hearing at 6:06 p.m.

Visitor Debra McCormick talked about the increase in property taxes, saying that her taxes went up 23%. She had questions: last year she had a tax increase, she is wondering about the bond referendum for the school and she commented that residents are being “fee’d to death”. She asked why, for a town of 4,800, we need a full-time inspector, why we need the full-time water biller, why we need brand new Tahoes. She said spending is out of control and requested Council considers cost saving measures. She wants to know what she is getting for her 23% increase and would like some relief from her taxes. She said everyone in 29 Oaks pays exorbitant taxes for hardly any services. City Administrator Kida addressed many of her questions. The City’s levy went down and property owners need to contact the County Assessor’s office with questions regarding their assessments and questions about the school bond referendum should be directed to the School Board. New vehicles for public safety are critical and Mayor Pruett stated that public safety is a Number One Priority. Councilman Bowman pointed out that we have a balanced budget.

Moved by Councilman Bowman, second by Councilman Weller to approve the Consent Agenda, which covered the following: Approve minutes from the Council meeting held on September 19, 2023; approve Abstract No. 833 which includes the following:

On roll call – all Ayes.

City Engineer Dan Solchenberger gave an update on Well 5 and shared a preliminary schedule review on Wells 7 and 8. The temporary pump is installed at Well 5 and running the City with the permanent pump on order. The new wells will be #7 which will be by the Murphy's addition and #8 which will be where Well 6 is currently located. Well 7 has been submitted to the DNR for permitting. We are hoping for the permit in February 2024 and well drilling to begin in March. Work on Well 8 site plan will begin after Well 7 is operational, hopefully November 2024. There are a lot of moving parts with the DNR and EPA; we have to adjust as we go. 3M has been working with us great. Councilmen Bowman and Weller, who attended the League of Cities Conference with Kida, said that Camanche stands out in handling the PFAS situation; we know who polluted our water and they are cooperating and helping us out. Kida added, with Well 5 running the entire City and the water has been tested at the Well and at the Public Works location and it is negative for PFAS so there is no lingering PFAS in the system. We will have a brief period of time where we need to go back to the shallow wells to install the permanent pump but we will communicate that before it happens.

Councilman Schnoor asked for an update on 9<sup>th</sup> Street from Solchenberger. He said they are working on paving and allowing traffic on the pavement as they are able. The week of October 16<sup>th</sup> there will be some lane closures but the finish line is in sight.

Moved by Councilman Bowman, second by Councilman Weller to suspend the Rules of Procedure. On roll call – all Ayes.

Moved by Councilman Bowman, second by Councilman Weller to allow the First Reading of an Ordinance Amending Chapter 18 of the Camanche Zoning Ordinance 18.60-G Special Ordinances: Non-Utility/Utility Scale Solar – Battery Energy Storage (BESS) by Title Only. On roll call – all Ayes.

Mayor Pruett read the First Reading of an Ordinance Amending Chapter 18 of the Camanche Zoning Ordinance 18.60-G Special Ordinances: Non-Utility/Utility Scale Solar – Battery Energy Storage (BESS) by Title Only.

Moved by Councilman Bowman, second by Councilman Schnoor to allow the First Reading of an Ordinance Amending Chapter 18 of the Camanche Zoning Ordinance 18.60.015 General Supplementary Regulations: Accessory Building and Structure Location by Title Only. On roll call – all Ayes.

Mayor Pruett read the First Reading of an Ordinance Amending Chapter 18 of the Camanche Zoning Ordinance 18.60.015 General Supplementary Regulations: Accessory Building and Structure Location by Title Only. Discussion followed regarding Bob Edens' recommendation for a height of 20' to accommodate modern construction and help make shingles last longer. Kida said the accessory building cannot be build higher than the primary structure. It was decided to table this item because there were additional items from Planning and Zoning that were omitted from the amendment submitted. It will be on the next agenda.

Councilman Bowman said he has a problem with the amendments to the Golf Cart Ordinance. They left a loophole for older golf carts without restraints. Councilman Weller said other communities' Ordinances include a clause that without restraints, there is an age

restriction for passengers. Councilman Bowman said we made the recommendation in the workshop and the ordinance we have does not mention older carts. There was also discussion about persons new to town or passing through town, such as the First Responders ride. Chief Schmitz noted these are often opportunities to education people. After further discussion about the age restrictions, Kida made the corrections to the document and Councilmembers agreed that the changes he made were what were recommended in the workshop.

Moved by Councilman Bowman, second by Councilman Weller to allow the First Reading, as amended of an Ordinance Amending the Camanche Iowa Municipal Code Chapter 3-3-70 Golf Carts and 3-3-66 Off-Road Vehicles by Title Only. On roll call – all Ayes.

Moved by Councilman Bowman, Second by Councilman Weller to approve the First Reading, as amended of an Ordinance Amending the Camanche Iowa Municipal Code Chapter 3-3-70 Golf Carts and 3-3-66 Off-Road Vehicles. On roll call – Ayes – Councilmen Weller, Bowman, Schnoor. Nays – None. Absent – Councilman Varner.

Chief Schutte presented the September 2023 Fire Department Report.

Kida said he attended the Iowa League of Cities with Councilmen Weller and Bowman and noted that all of the financial work we are doing is what has been recommended by financial professionals. We are on the right track. Councilman Schnoor said the Park Board will be having their Splash Pad fundraiser on October 28<sup>th</sup> at Central Park. The theme is Pirates in the Park and there will be lots of activities including a dunk tank. Please come out and support their efforts. Councilman Bowman also talked about the League of Cities, the Fiscal Fitness session and how we compare. We do really well by having the Capital Improvement Plan and revisiting it; we are doing a lot of the right things. He encouraged citizens to come to the budget discussions. He also said he is encouraged by the number of citizens who have been attending our meetings, it is what we want; he is pleased to see it. Councilman Weller agreed by saying it is great to see people here. Chief Schutte said the Fire Department Open House is October 14<sup>th</sup> from 10:00 a.m. – 1:00 p.m. with the MedForce helicopter, weather permitting.

Mayor Pruett called for public comments. Jenny Tucker spoke and said she would not want Council's job. She feels like residents in 29 Oaks are not listened to. She would appreciate a meeting with the City. Kida said an Open Forum could be held in the future, we will send a letter to the residents in the neighborhood when it can be scheduled.

Ryan Drew with Operating Engineers Local Union talked about the utility scale solar system and how Nextera supports the local community. He appreciates the support for the project and is excited about the project and the jobs it will bring. He mentioned the career fair on October 4<sup>th</sup> at the Clinton Community College building. Bill Gerhart from Iowa City who worked with the Laborers Union echoed what Mr. Drew said there will be a lot of opportunities and incentives with the infrastructure bill. There will be incentives to use the registered apprenticeship program which is the best way to get the kids taught.

There were no other public comments.

Mayor Pruett adjourned the meeting at 7:27 p.m.

## Park and Rec Minutes

The meeting was called to order at 6:00 p.m. on 10/09/23.

Linda Putman, Bill Siefken, Tony Blomme and Marty Schnoor were present.

A motion was made to approve the 9/25/23. 1<sup>st</sup> by Linda Putman, 2<sup>nd</sup> Bill Siefken. All in favor so motion carried.

A motion was made to approve the Financials. 1<sup>st</sup> Bill Siefken, 2<sup>nd</sup> Tony Blomme. All in favor motion so carried.

Splash pad is tabled to next meeting when Casey is available.

Grants tabled to next meeting.

Pirate Party in the Park was discussed and we will have a planning session on October 19<sup>th</sup> at 5:30 p.m. at Platt Park. We touched base on a few things. Brenda Larkey said key club kids can help. Brent Firehouse coffee will let us know if they can make it. Tony said he can take care of filling the dunk tank. Bill will pick up dunk tank and will have his ice fishing hut with a heater if the weather is cold. We need to schedule times and people for the dunk tank. Marty will talk to the principals at all three schools to see if they would be willing to be in the dunk tank. Kelly Girls has committed to 11-2 Pat Jones from 3 on a Tree will play from 11-2. Linda will ask Hometown Pride to put the event on their sign in Central Park and contact 94.7. Bill is working on getting more vendors. Linda is checking with banks and Kiwanis to see if they want a table or have a game.

There was a discussion on the cement work at Anthony Park. We need to know when it will be completed or do we need to find another company to get it done. We would like it completed before winter. The leveling has been done some time ago.

Meeting was adjourned at 6:25 p.m.

Respectfully submitted,

Linda Putman

Camanche Historical Board met 9 October 2023. President Kris Melenbacker opened the meeting with the following present; Pam Stewart, Juli Leonard, Ruth Evans, Amanda Determann and Madonna Obren. Also present were Ed Evans and Paul Varner -- liaison. Absent was Bob Jordan.

Minutes were read from 11 September meeting. Pam motioned to approve with no additions or corrections, seconded by Kris. Accepted.

Treasurer's report was given by Pam. Motion to approve was made by Madonna, seconded by Kris. All approved. Madonna motioned to move two hundred dollars (\$200.00) from the fun raising account to the general checking account. Kris seconded. Carried. Ruth gave Pam fourteen dollars and sixty-nine cents (\$14.69) which is the society's share of money for the memorial tags. That money goes into the V.F.W. account. Ruth presented the Board with a Thank You note and a check in the amount of one hundred dollars (\$100.00) for letting the Kiwanis Club use the museum building for their meetings. Ruth asked the Board if they felt it beneficial to continue the free ice cream social. If the Board had to pay for all the things that were donated they would have lost money. The Board decided to continue with the socials.

Old business: All planning for the Christmas tree contest--the flyers and application forms will be Madonna and Amanda. Date will co-occur with Christmas in Camanche, which has not been determined. Potluck will be held 23 October at 6 O'clock. Attendees are ask to bring their tableware and a dish or two to share. Karlee Low will be speaking about the Home Town Pride Organization.

New business: Sunday afternoon opening of the museum was scheduled -- see calendar. Electrical outlets on outside of building would be appreciated. Kris will contact the city about it. A slate of officers was named; Kris--President, Pam--Vice-President, Amanda--Secretary, and Madonna--Treasurer. Nomination can also be made from the floor. Election of officers will be held at the November meeting. Ruth reported on the Clinton County/Gateway Genealogical Society's presentation that was held in the museum building from 9A.M. to 3 P.M. on 7 October. It was well attended. Two members of the CCGGS were presenters. Outside organization speakers were from the Lyons Branch of the Clinton Library, DeWitt Historical Museum, Gateway History Club, and the Martin House (Fulton, Illinois). Ruth showed two postcards of scenes from DeWitt as a idea for Camanche Historical Society, using scenes of Camanche buildings, to make as a money making project.

Kris adjourned.

Respectfully submitted,

Ruth Evans, secretary

ORDINANCE \_\_\_\_\_

**AN ORDINANCE AMENDING ZONING ORDINANCE CHAPTER 18-60G SPECIAL ORDINANCES: NON-UTILITY SCALE/UTILITY SCALE ORDINANCES OF THE CAMANCHE, IOWA CODE OF ORDINANCES**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMANCHE, IOWA:**

**Section 1. Purpose.** The purpose of this ordinance is to amend Zoning Chapter 18-60G of the Camanche, Iowa Code of Ordinances, for the regulation of solar renewable energy Battery Energy Storage Systems in the City of Camanche

**Section 2. Facts Found.** The City Council hereby makes the following findings of fact:

- 1) The City of Camanche Zoning Ordinance does not address requirements for renewable energy Battery Energy Storage Systems within the City's jurisdiction
- 2) The Camanche Planning and Zoning Commission has reviewed and recommended adoption of amended language to incorporate in the Zoning Ordinance in order to provide governance
- 3) The City of Camanche finds it necessary to amend the Zoning Ordinance in order to provide fair regulation of Battery Energy Storage Systems within its jurisdiction

**Section 3. Amendment.** The Camanche, Iowa, Code of Ordinances for Zoning Chapter 18.60-G is hereby amended by adding the following language:

**Battery Energy Storage System**

The purpose of this Ordinance is to establish minimum requirements and regulation of any Applicant/Developer/owner engaged in the construction, erection, placement, location, maintenance, modification, operation, and decommissioning of Battery Energy Storage Systems (BESS) within the City of Camanche, IA current or future land use area/s in a manner that preserves and protects the rights, privileges, and property of the City and its residents, that ensures the protection of the health, safety, and welfare of the City's residents, and that provides an opportunity for economic growth and development. All future Battery Energy Storage Systems (BESS) projects, as well as those currently contracted by agreement permitted, or planned, shall follow this Ordinance.

**A. Definitions.** For use in this Ordinance, certain words used herein shall be defined as follows:

**Agreement.** A legally binding document signed by both a participating landowner and an owner or operator for a specific purpose, including but not limited to a contract, easement, or lease.

**Applicant.** The person or entity submitting the application under this Ordinance, which is normally expected to be the owner or operator of a BESS.

**Battery Energy Storage System (BESS)**. One or more devices, assembled together, capable of storing energy, not to include a stand-alone 12-volt car battery or an electric motor vehicle. A BESS may be a stand-alone project or in conjunction with a Solar Farm.

**BESS Construction Permit**. A permit issued by the City of Camanche, which is required before construction of a BESS is allowed in the City of Camanche. If a BESS is proposed in conjunction with a Solar Farm, the permits may be combined and submitted as one application.

**City Council**. A council elected by City of Camanche residents.

**Developed Project Area**. The total project area that is subject to an agreement between the Owner/Operator and the Participating Landowner and is developed and utilized for placement of a BESS.

**Easement**. A legal agreement for the use of property for a specified purpose.

**Non-Participating Landowner**. A landowner who has not signed a binding agreement with the Applicant/Developer/Owner of the BESS.

**Occupied Structure**. For the purpose of this ordinance, shall include any existing occupied house, apartment, barn or machine shed regularly used by the property owner, or parties in possession of the property at the time of the permit application. \* See Waiver Agreement.

**Owner**. The entity or entities with an equity interest in the Solar Farm or BESS, including their respective successors and assigns. Owner does not mean the landowner from whom a lease, easement, or other property right is acquired for locating the Solar Farm or BESS unless the landowner has an equity interest in the Solar Farm or BESS, or any person holding a security interest in the Solar Farm or BESS solely to secure an extension of credit, or a person foreclosing on such security interest provided that after foreclosure, such person seeks to sell the Solar Farm or BESS at the earliest practical date.

**Participating Landowner**. A landowner who has signed a binding agreement with the Applicant/Developer/Owner of the Solar Farm or BESS.

**Project Area**. The geographic area encompassing all components of a Solar Farm or BESS including border fencing.

**Property Line**. The legal boundary between separately owned real estate parcels, and between privately owned parcels and publicly owned land or public right of way.

**Setback**. The minimum required distance from a certain object, structure or point to the edge of any part or component of the Solar Farm or BESS.

**Solar Farm**. A commercial facility that converts sunlight into electricity, whether by photovoltaics (PV), or other conversion technology, for the primary purpose of wholesale sales of generated electricity also known as a Utility Scale Solar Installation.

**Utility Scale Solar Installation**. See definition for Solar Farm.

**B. Permit Application Requirements.** Permit application requirements for Utility Scale Solar Installations A-E shall be included with the required Project Development Plan. Permits after a Project Development Plan has been approved will require a building permit per structure.

**C. General Requirement for Battery Energy Storage Systems (BESS).** BESS shall be subject to the following requirements:

1. Battery Energy Storage Systems (BESS) are permitted in M-RE Zoning District.
2. All Battery Energy Storage Systems (BESS) and upgrades to existing BESS shall observe the following setbacks to be measure from the edge of the BESS (not applicable to underground facilities such as cable or fencing).

Protected Area	Setback Requirement
Occupied Structure	1,000 feet from occupied structure
Property line	100 feet from property line
Public road right of way	75 feet from road right of way for paved roads 50 feet from right of way for gravel roads

3. **Safety.** National Electric Safety Code (NESC) compliant fencing shall be required in all project permitted by this ordinance.
4. **Insurance.** Applicants shall provide evidence, in the form of a certificate of insurance (COI) satisfactory to the City, showing general liability insurance coverage for the installation and operation of the project under a standard homeowner's or standard business owner's insurance policy, separate and distinct from any requirements of a public utility.
5. **Certification and Compliance.** A BESS shall conform to applicable industry standards, including those from the Underwriters Laboratory (UL) and Federal Aviation Administration (FAA), and shall be in compliance with all applicable local, state, and federal regulatory standards and applicable electrical codes, including the National Electric Code (NEC), National Electric Safety Code (NESC), and National Fire Protection Association (NFPA). Any built plans must be submitted within twelve (12) months of completion of the project.

**Section 4. Repealer.** All ordinances or parts of ordinances in conflict with any provision of this ordinance are hereby repealed.

**Section 5. Severability Clause.** If any section, provision, or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of this ordinance as a whole, or any section, provision, or part thereof not adjudicated invalid or unconstitutional.

**Section 6. When Effective.** This ordinance shall be in full force and effect from and after its final approval, passage, and publication as provided by law.

Passed by the Camanche City Council this \_\_\_\_\_ day of \_\_\_\_\_, 2023 and approved this \_\_\_\_\_ day of \_\_\_\_\_, 2023.

**AN ORDINANCE AMENDING THE CAMANCHE IOWA MUNICIPAL CODE**  
**By Amending Chapters 3-3-70 Golf Carts and 3-3-66 Off-Road Vehicles**

**Section 1. Purpose.** The purpose of this Ordinance is to provide for additions to the Camanche Golf Cart Ordinance 3-3-70 and the Camanche Off-Road Vehicle Ordinance 3-3-66 to provide additional requirements regarding safety and operation.

**Section 2. Facts Found.** The City Council of the City of Camanche, Iowa hereby makes the following findings of fact:

- A. That for safety considerations, the operators of golf carts and off-road vehicles should be eighteen years of age or older.
- B. That there is a scrivener's error in 3-3-70 (3) which requires correction to state the original intentions of the Council.
- C. That additional safety regulations are necessary to provide for the health and safety of operators and passengers of both golf carts and off-road vehicles when operated within the City of Camanche.

**Section 3. Amendment.** The Camanche, Iowa Code of Ordinances for Golf Carts and Off-Road Vehicles are hereby amended as follows:

Ordinance 3-3-70 is amended as follows:

3-3-70(1)      Golf carts may be operated on City streets by persons eighteen years of age and older possessing a valid driver's license and provided that a special permit is obtained from the City regarding the golf cart being operated.

3-3-70(3)      The last sentence of 3-3-70(3) shall be amended to read as follows:

- Golf carts may only traverse areas in 3-3-70 subsections 3 parts a-d when traveling to a point on those routes from the nearest allowed street and from a point on those routes to the nearest allowed street.

The following subsections are added:

- 3-3-70(14): Any golf cart which has factory-installed seat belts or a similar system of restraints for occupants shall maintain the restraints in working order and all occupants for which a seat belt or similar system of restraints is available shall be restrained while the golf cart is in motion. If such restraint system is available in the golf cart, the following requirements are applicable: all

occupants, except as noted below, must wear safety belts or safety harnesses which meet the definition of a safety belt or safety harness as set forth by Iowa Code Chapter 321.445 while the golf cart is in motion.

a) Children under one year old and weighing less than twenty pounds must be secured in a rear-facing child restraint system while the golf cart is in motion.

b) Children ages one to six years must be secured in a child restraint system (safety seat or booster seat) while the golf cart is in motion.

1) A child restraint system is a specially-designed seating system, including a belt positioning seat or booster seat which meets Federal Motor Vehicle Safety Standards. The child restraint system must be used in accordance with the manufacturer's instructions, the child must be secured in the child restraint, and the child restraint must be properly secured to the golf cart.

- 3-3-70(15): There shall be no passengers on any portion of the golf cart not designed to carry passengers. No person may stand on or ride in the cargo area of a golf cart while it is in motion.
- 3-3-70(16): No golf cart may carry more passengers than the number listed by the manufacturer for that golf cart.
- 3-3-70(17): Golf carts lacking safety belts shall not have passengers under 18 years of age.

Camanche Ordinance 3-3-66 is amended as follows:

The following new subsections shall be added to Camanche Ordinance 3-3-66:

3-3-66(8): Off-road utility vehicles shall be equipped with a system of seat belts or a similar system for restraining each occupant of the vehicle in the event of an accident.

3-3-66(9): All occupants, except as noted below, must wear safety belts or safety harnesses which meet the definition of a safety belt or safety harness as set forth by Iowa Code Chapter 321.445 while the UTV is in motion.

- a) Children under one year old and weighing less than twenty pounds must be secured in a rear-facing child restraint system while the UTV is in motion.
- b) Children ages one to six years must be secured in a child restraint system (safety seat or booster seat) while the UTV is in motion.

1. A child restraint system is a specially-designed seating system, including a belt-positioning seat or booster seat which meets Federal Motor Vehicle Safety Standards. The child restraint system must be used in accordance with the manufacturer's instructions, the child must be secured in the child restraint, and the child restraint must be properly secured to the UTV.

- 10. No seat shall be used by more than one person at a time.
- 11. No person may ride on the lap of another.
- 12. The number of passengers in a UTV shall not exceed the number of factory-installed seats in the UTV.
- 13. No UTV will be operated in a careless or reckless manner so as to: endanger any person; cause injury or damage to person or property; create unnecessary skidding or sliding; or cause a wheel or wheels to lose traction or contact with the ground.
- 14. A person shall not drive or operate an off-road utility vehicle at a rate of speed greater than the posted speed limit or 35 miles-per-hour, whichever is less.

**Section 4. Repealer.** All ordinances or parts of ordinances in conflict with any provision of this ordinance are hereby repealed.

**Section 5. Severability Clause.** If any section, provision or part of this Ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the Ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

**Section 6. When Effective.** This ordinance shall be in full effect from and after its final passage, approval, and publication as required by law.

**AN ORDINANCE AMENDING ZONING ORDINANCE CHAPTER 18.60.015 GENERAL SUPPLEMENTARY REGULATIONS: ACCESSORY BUILDING AND STRUCTURE LOCATION OF THE CAMANCHE, IOWA CODE OF ORDINANCES**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMANCHE, IOWA:**

**Section 1. Purpose.** The purpose of this ordinance is to amend Zoning Chapter 18.60.015 of the Camanche, Iowa Code of Ordinances, for the regulation of Accessory Buildings and Structure Location in the City of Camanche

**Section 2. Facts Found.** The City Council hereby makes the following findings of fact:

- 1) The City of Camanche Zoning Ordinance regulates the size and location of accessory buildings within the City of Camanche
- 2) The Camanche Planning and Zoning Commission has reviewed and recommended adoption of amended language to incorporate in the Zoning Ordinance
- 3) The City of Camanche finds it appropriate to amend the Zoning Ordinance

**Section 3. Amendment.** The Camanche, Iowa, Code of Ordinances for Zoning Chapter 18.60.015 is hereby amended by removing the language for 18.60.015 in its entirety and replacing it with the following language:

18.60.015 Accessory Building and Structure Location: No accessory building or structure shall be constructed or located on or across a municipal sanitary sewer, water or other utility easement. Any existing accessory building or structure located on any municipal utility easement shall be removed or relocated in conformance with these regulations at the owner's expense.

"Garage, Private" means a detached accessory building or portion of a residential building housing the automobiles of the occupants of the premises. No private garage within R-1, R-2, B-2 or R-M districts shall exceed ten (10) feet in height for side wall construction, and shall not have an overall height exceeding eighteen (18) feet. Properties with a principal dwelling under 1440 Square feet of ground floor living space shall not have an accessory private garage exceeding 1080 square feet. Properties with more than 1440 square feet of principal dwelling shall not have an overall accessory private garage exceeding one thousand five hundred (1500) square feet total area, or seventy five (75) percent of the total interior ground floor living area of the related principal residence, and whichever number is lesser establishes the total area maximum for such garage or accessory building. The largest dimension of any detached accessory building or garage in R-1, R-2, B-2, or R-M districts shall not exceed forty (40) feet in length. In the case of the attached garage, the eighteen (18) foot height limitation does not

apply, however the height of the garage shall not exceed the height of the principal residence adjacent to the point of attachment to such principal residence. **The number of accessory private garages shall be no more than 2 (two) buildings and the combined square footage of those buildings may not exceed the amount of square footage for an accessory private garage allowed for that property.** (Ord. 638 §3,2000).

**Section 4. Repealer.** All ordinances or parts of ordinances in conflict with any provision of this ordinance are hereby repealed.

**Section 5. Severability Clause.** If any section, provision, or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of this ordinance as a whole, or any section, provision, or part thereof not adjudicated invalid or unconstitutional.

**Section 6. When Effective.** This ordinance shall be in full force and effect from and after its final approval, passage, and publication as provided by law.

When a road is closed to thru traffic it essentially means that its open to the residents in that area. The speed limit has been 15 MPH for a while; but we continue to get complaints from residents in the area that cars are travelling much faster than that. Driving faster than the posted speed limit in this area is ill advised for a few reasons: 1. Safety of construction workers and residents, 2. uneven ground/equipment in the travelled portion that cause road hazards and 3.... See more

## Community Outreach

---

Recently, Officer Snodgrass was approached by a citizen who was concerned about the crosswalks by Platt Park because drivers were not stopping for pedestrians. Officer Snodgrass took the opportunity to make them really stand out with the help of the Public Works Director and the volunteer work by Brandon Smith owner of River City Property Services, LLC to assist with his painting machines they were able to get the job done. Officer Snodgrass has future plans to paint crossings near the schools with "eye catching" designs! We look forward to seeing the designs in the coming months! Thank you, Officer Snodgrass, for your constant pursuit of making Camanche a better place and thank you to Brandon for taking time away from your family to help keep our kids safe as they walk to and from school!

# Training & Equipment - (91 hours of training in September)

## Training Outline LESS THAN LETHAL 12 GA

**Training Objective:** The objective of this training is to apply basic use of the Benelli nova pump shotgun. We will cover how to operate the Benelli nova and how to deploy the 12-gauge bean bag round. We will cover the best zones to target and the correct distance to use when having to deploy the less lethal shotguns. Officers will have to show the training officer they are proficient with the weapon at the range.

**Safety Rules:**

1. Training Officers will make sure that every participant has no live weapons out when shooting less than lethal shotguns at range.
2. There will be no live shotgun ammo allowed when doing the practical portion of training.
3. Officers will leave live weapons in their vehicles when at the range for the practical part of training.

**Training Outline:**

1. Officers will meet at the Camanche Police Dept. for training.
2. Officers will read through the Less Lethal policy.
3. Officers will go over the operation of the weapon and safety rules with using 12 Ga less lethal.
4. Officers will have to show proficiency in shooting the weapon in the correct zone.

**Operation:** How to operate the Benelli nova shotgun. What the safe distance is to use the LL shotguns and the preferred areas to use as targets.

**Target Zones:** Zone 1-waste and down (minus groin), Zone 2-stomach area and arms and Zone 3-chest, neck, groin and head (**DO NOT USE**) unless the situation turns into a deadly force situation.

**Distance:** The minimum safe distance to use the less lethal shotguns are 20 ft and the maximum is 75 ft.

**Practical:** Officer will shoot two (2) rounds from approximately 35 ft. Each officer will have to hit zone 1 once to be qualified to operate the LL shotguns.
