

Press Release For Immediate Release 5-1-24

Hydrant Flushing/Testing to resume

The Camanche Fire Department will be resuming the flushing fire hydrants throughout the next several months (May-October) Monday-Friday between the hours of 8am to 3 pm and on Wednesday nights between the hours of 6:00-9:00. This flushing is necessary to test and maintain the water system. Residents may experience some low water pressure and discoloration during this flushing.

From Fire Chief Dave Schutte
