

Camanche Fire Department Fire Chief

The Camanche Fire Department is looking to fill a full-time position of Fire Chief. The current Chief is planning to retire in January of 2025. CFD is a combination fire department located in Camanche, Iowa, along the Mississippi River. Call types include structure fires, EMS, river rescue, hazardous materials incidents, wildland fires, and auto accidents. CFD runs 2 Paramedic level ambulances to respond to EMS calls for the City. The Fire Chief also oversees all aspects of the ambulance service.

This position will be subject to a variety of schedules which includes a standard forty (40) hour work week plus a variety of evening and weekend meetings and calls for service. The Fire Chief will respond to calls for service as part of the daytime crews, as well as perform numerous administrative duties. The Fire Chief shall be required to attend trainings, interagency meetings and community events at night and on weekends as needed, as well as to respond 24/7 to major incidents as incident commander as well as EMS calls as a paramedic. Must reside in the City limits of Camanche within 3 months of hiring.

The City offers a full range of generous employee benefits including MPFRSI retirement, group health insurance, paid vacation, holidays, paid life insurance. Starting salary range \$85,000-\$95,000 plus incentives DOQ. The Fire Chief position is FLSA exempt.
