The City Council of the City of Camanche, Iowa met in regular session December 16, 2025, at 6:00 p.m. at Camanche City Hall. Present on roll call: Mayor Austin Pruett presiding, and Councilmembers Bowman, Edens, Klahn and Weller. Absent: Councilmember Farrell. Also present were City Attorneys Current, Frey and Roberts, City Engineer Solchenberger (online), City Administrator Kida, and Department Heads Grim, Pewe, Schmitz, Schutte, Sowle and Schneider.

A moment of silent prayer was observed. Mayor Pruett led the Pledge of Allegiance.

Moved by Councilman Weller, second by Councilman Bowman approve the Agenda. On roll call – all Ayes.

Mayor Pruett opened a Public Hearing regarding the Development Agreement with Fareway Stores, Inc. at 6:02 p.m. He read a list of names of people who contacted City Hall in support of Fareway: Mr. & Mrs. George Suprenant, Willy Duncan, Christine Mensinger and Richard Stubblefield. He also read a letter submitted by Tom Aronson to the Mayor and Council. In his letter, he noted the tone of this group and across our town has changed. The last meeting showed something very powerful; residents showed up, they spoke and made it clear that they care very deeply about the future of Camanche and about this opportunity and that matters. He thanked the Council for listening. He thinks it is important that tonight, what is happening is bigger than the people in this room. Fareway is watching, future employers are watching, other developers are watching, they are paying attention, not only to what decisions are made, but how they are made. He believes the Community message has been sent clearly; Camanche wants this project and understands that doing nothing has a cost. At this point, the next step is about confidence, from Council and from Fareway, that this City can move forward decisively and follow through. He asked that if Fareway is listening, what they have seen over the past few weeks has been sufficient. You have seen residents organized, seen families, business owners and neighbors speak with one voice. He said that level of engagement doesn't happen everywhere and reflects a town that values partnership and long term commitment. He said to the Council this is a clear signal, not just to Fareway, but any future business that might consider Camanche. He appreciates the work that has gone into this process.

Jess Paul 1924 14th Street said is not here to speak against Fareway, in fact he wants Fareway to come to Camanche. He has a couple of questions and comments. One question is that he understands that negotiations may still be open? Who negotiated the current terms? He referenced lawyers from some distance away filling in blanks on a boilerplate agreement used dozens of times before. He thinks negotiations are never closed and believes LeClaire was in a similar situation. He went on about incremental things. Sue Czer 1611 3rd Street said she, too, approves of Fareway. She feels they can come into town if they feel it is a good move on their part and they can make a profit. She is all for that, she wishes for their success, God bless them. The problem she has is the price tag that goes along with it. She keeps hearing convenience, used the word gift, and disputed the word investment, saying with an investment we should get something back. With this, she thinks we will get nothing back. She said the

\$500,000 we are giving them is a half a million dollars. She went on to say that she could not in good conscience and common sense could never put a financial burden of this magnitude on her neighbors, friends, family for her personal convenience. She proceeded to make some inaccurate insinuations about the process to get where we are.

City Administrator Kida administered the Oath of Office to Mayor Austin Pruett for his 2-year term beginning in January 2026.

Mayor Pruett administered the Oath of Office to Councilman Bob Edens for his 4-year term beginning January 2026.

Mayor Pruett administered the Oath of Office to incoming Councilman Gregg Maxwell for his 4-year term beginning January 2026.

Mayor Pruett called for public comments on Agenda topics. Alice Srp thanked Councilman Weller and Councilman Bowman for serving on the Council, especially Dave's work with the Library. She hopes that this is not a forgotten aspect of our community. Communities that are growing, their libraries are considered essential. They are improving their libraries, they are making new libraries, Clinton is trying to figure it out, DeWitt has done a wonderful job. We have a jewel of a location, and we have a jewel of staff. She hopes the future Council keeps this in the forefront as an important aspect of our community.

Moved by Councilman Weller second by Councilman Bowman to approve the Consent Agenda, which covered the following: Approve minutes from the Council meetings held on December 2, 2025, and December 9, 2025; approve Abstract No. 886 which includes the following:

Mayor Pruett read a Resolution Approving Development Agreement with Fareway Stores, Inc. Authorizing Annual Appropriation Tax Increment Payments and Pledging Certain Tax Increment Revenues to the Payment of the Agreement

Regarding the Development Agreement with Fareway, Councilman Bowman asked to go over the dates. City Administrator Kida said the project will start in 2029. Fareway has agreed to a \$3.2 million valuation with the base value being established as bare land in 2028. Fareway will dedicate the land for 10th Place and convey it to the City in 2026 so we can begin road work soon if Council decides to do that. The City's annual payments will begin 6/1/2030 and end 6/1/2034 if there is substantial completion at that time and the TIF payments will be based on property tax collection. Kida wanted to be clear negotiations to arrive at the Development Agreement involved staff, City Attorneys and Council over the course of this process. Specifically, the initial proposal was \$300,000 presented by Fareway with the City responsible for moving dirt. After discussion during a Council meeting, the decision was made to go with \$500,000 and the site be pad ready. Items negotiated by staff were the 85%/15% TIF down from 90%/10% and Fareway will pay building permit fees and water bills. There was also a statutory issue discussed about the City not making payments. City Attorney Frey said it is language that is an escape valve if the City were to become unable to make payments for statutory reasons. This would be extremely unlikely, as the City is not anywhere near exceeding their bonding capacity.

Moved by Councilman Bowman, second by Councilman Weller to Adopt a Resolution Approving Development Agreement with Fareway Stores, Inc. Authorizing Annual Appropriation Tax Increment Payments and Pledging Certain Tax Increment Revenues to the

Payment of the Agreement. On roll call – Ayes – Councilmembers Edens, Klahn, Bowman, Weller. Nays – None.

Moved by Councilman Bowman, second by Councilman Weller to Approve payment of \$224,344.00 to Gingerich Well & Pump Services for Deduction Taken-Change Order #2 Payment made 12/5/25. Gingerich intended for the contract amount to be reduced and not for the negative Change Order to be deducted. On roll call – all Ayes.

Moved by Councilman Bowman, second by Councilman Edens to Approve proposal from Shive-Hattery for the Design of the Recreation Trail \$61,200.00. On roll call – all Ayes.

Submissions from the Request for Proposal from JEO (\$99,575), Veenstra & Kim (\$61,126), Snyder & Associates (\$114,700-\$128,500) for a Feasibility Study to build an overpass in Camanche. After a brief discussion, Councilman Bowman thinks we should take more time. Councilman Edens asked how long the numbers are good for. Kida said we can have them come back or have a special meeting with them. On a related note, Councilman Klahn, asked Chief Schmitz if he had an update on the camera project; he is still waiting on the quote from Tri-City. Klahn would like to table this at least until the next meeting.

Water and Sewer Rates will be discussed in detail during the Budget Workshop.

Chief Sowle presented the November 2025 Camanche Fire Department report and Chief Schmitz presented the November 2025 Camanche Police Department.

City Attorney Frey pointed out that among the City Administrator responsibilities that are allocated by the Council are recommending and participating in projects and endeavors that promote economic growth and development in the City. The Council has specifically authorized and directed the City Administrator to work on and promote economic development projects for the City. Kida thanked Councilman Bowman and Councilman Weller for their service to the community; it has been a long journey for everyone involved. They have done a lot of work for us. Mayor Pruett seconded what Andrew said and wished them the best in their future endeavors. Councilman Weller thanked the people who supported him. He encouraged people who are interested in being on Council to pay attention and make the effort. He also cautioned residents to be aware of the decisions made by Council and be aware of their understanding of those decisions. He said he is available if anyone needs help. Good night and Merry Christmas. Councilman Bowman reported that he addressed a nuisance property with a resident who spoke at the last Council meeting. He also talked about the Library and said the Board got the message and is trying to see what can be done with the existing building. They will be coming to Council for more money for repairs and renovations in the future. He said being on the Council has had its highs and lows; his high was being recognized as a Councilman who follows up on things. He then challenged the Council to also follow up on things. Councilman Klahn

thanked Councilmen Bowman and Weller. Councilman Edens also thanked Councilmen Bowman and Weller, and said he especially appreciated how Bowman has helped him. Schneider thanked Bowman and Weller for the extra time and effort they put in on the Finance Committee which provided a great deal of help for her and the audits.

Mayor Pruett called for Public Comments. Dave Willis 1433 3rd Street said the agenda item with three bids; are we required to take the lowest bid? Kida said we can go with the lowest bid or with the most qualified. Mr. Willis thanked Councilmen Bowman and Weller and wished everyone a Merry Christmas.

Mayor Pruett asked for requests from Councilmembers for items for future Agendas. There were none.

A brief recess was taken at 7:10 p.m.

Reconvened at 7:25 p.m. for a Budget Workshop for FY 2027. The main topic was the distribution of employee salary expenses to the departments for which they work. A spreadsheet was provided, and numbers were discussed with a few changes to be made for the next meeting. Using the suggested changes, Kida will provide some proposed water and sewer rates.

Mayor Pruett adjourned the meeting at 8:22 p.m.

 - Capital Campaign Management – Fundraising Consultants – Houston, MN, team comes in and collaborates with staff and volunteers.
 - Discussed moving forward with library maintenance and seeing where the library sits in March, as there may be grants available to assist with donations and community studies needed.
- Presentation by Andrew Grant with Verkada – Discussed security systems, cameras, door access, panic buttons. Andrew will work with Tri City to start a preview of the building and make a list of what is needed.

CONSENT AGENDA: Motion to approve the Consent Agenda as listed made by Trustee Hoerschelmann and seconded by Trustee Blaess. Motion passed with all ayes.

Programming –

- Director Grim invited the Board to stay after the meeting for David Evers Duck Decoy presentation.
- Grim reported having CES preschoolers from the morning class visit today at the library- Cat read them a couple of stories, they got a tour and a take home bag with an activity book, take home craft, a pencil, and a sticker. The afternoon class will be here next week.

Collection Development –

- Inventory Update – Markee was here over Thanksgiving and started the children's area inventory. She will work with our J-Term students to complete the first go-round. Also, will be weeding most, if not all Books on CD, as they have seen little circulation since 2019.
- New items – 90 items added.

Facilities –

- Nightly Tracking of Patrons – Monthly Update – will report at next meeting.
- New library phone number (563) 259-6011 (might be temporary)

Children's Programming –

- *Misc-*
 - There were 660 items checked out –with 124 renewed and 415 eBooks/audio books on Overdrive/Libby
 - We had four new patrons join the library.

OLD BUSINESS –

- Platinum IT – SharePoint conversion clarification – Cloud resource and the service call associated. Will need \$250 for extra cloud storage, a one-time set up fee. Trustee Hugunin made a motion to approve the storage fee; Trustee Blaess seconded the motion, and it passed with all ayes.
- Radon Test Results – November 18 – 21, 2025 – 6 tests completed over 73 hours. The three tests from upstairs indicated there is no need for remedial action at this time. The three tests from the basement were 6.0, 7.5 and 6.0 – all over the 4.0 pCi/L recommendation for test results. And therefore, the recommendation is to conduct either a short- or long-term follow-up measurement. If we consider this a confirming test, then we should take remedial action to reduce these radon levels. (For reference: Tests done in Feb. 2023 results – upstairs, under limit. Downstairs results – 34.4, 41.2 and 44.7 pCi/L – Director Grim will continue to monitor.
- New Air Handler has been ordered and scheduled to be installed at 9:00am this Friday.

NEW BUSINESS –

Subject: Library Board of Trustee Resignation

Mayor Pruitt:

This email will serve as my official resignation from my position as a trustee on the library board. I am grateful for the opportunity to serve. However, the library is in need of a greater commitment by all of its board members than I can currently make as they continue to work toward improving the current library. My resignation opens a spot for Dave Bowman who has been an invaluable liaison to the board for as long as I have been a trustee. His knowledge and experience with the inner workings of the board is an asset and would benefit the library's hope for future expansion.

Again, thank you for the opportunity.

Sincerely,
Bill Goble
